MECHANICAL PERMIT APPLICATION INFORMATION

The following instructions will provide assistance in filling out an Application for a Mechanical Permit. To avoid unnecessary delays in obtaining a Building Permit, all of the following items shall be provided.

- 1. **BUILDING PERMIT APPLICATION:** The application must be completed and signed by the owner of the property, or a letter of authorization from the owner allowing the applicant to sign and obtain the Building Permit is required to be submitted with the application.
- 2. **MANUFACTURER'S SPECIFICATIONS:** Submit a copy of the manufacturer's installation instructions or specifications for the mechanical system.
- 3. **PLOT PLAN:** Solar panels, exterior oil tanks, generators, and exterior air conditioners require a survey or site plan showing the location of the mechanical system and indicating the proper sideline setbacks from the property line in conformance with Town of North East Zoning Law. If necessary, a survey may be required to confirm conformity. If property is in a municipal water and/or sewer district, show water and sewer line location.
- 4. **FEES PAID:** Fees shall be paid in accordance with the Standard Schedule of Fees as adopted by the Town Board.
