**Supervisor Comments**

Supervisor Kennan shared financial reports of all revenue budget categories from years 2010 to 2023, as well Department expenses and fund categories. He walked the Board Members through line items of the revenue and expenses to be expected. The Town is nearing the end of a huge Highway garage project. The Town Board Budget committee (Kennan and Morrison) have met with the Bookkeeper to work through to this point and would like the whole Board to review the numbers for a tentative budget.

Discussion followed among Board Members.
